

3rd July 2024

Dear Parents and Carers

All Y6 students should arrive on site for 8:30am on Monday 8<sup>th</sup> July, from there they will be directed to the main hall for a welcome address and to find out their form groups. Students will then move to tutor rooms for their timetables and a brief tour, and after that start the week of lessons with a Year 7 guide.

Uniforms should be whatever they wear for Primary school, and no one has PE on Monday so do not worry about PE kit on that first day, but when they do have a PE lesson later in the week, their Primary PE kit is fine. They will need a pencil case with the usual equipment: pen, pencil, ruler, rubber, and a calculator if possible but this can be borrowed until September if necessary.

Lunches can be brought from home, as can snacks for break, or they can be bought via Arbor (you should already have your log in) in the main hall with the balance for any food or drink transferred to September.

School finishes at 2:45pm every day. Water bottles are permitted in lessons, throughout the day.

We look forward to seeing everyone on Monday 8th July.

Kind regards

Miss J Brooks

Assistant Headteacher

Attendance and Wellbeing
