

YEAR 11 ENGLISH CURRICULUM PROGRESSION OVERVIEW

Subject Curriculum Intent: English is the gateway to success and allows students to access all other areas of the curriculum. Our ambition is to ensure all students develop the knowledge and skills to become *reflective readers*, *resilient writers* and *confident communicators* in order to explore the wider world, flourish in the future and achieve their full potential. We nurture a passion and love of literature from a variety of contexts as well as encouraging students to become analytical thinkers so that they are empowered to form their own views about what they see, hear and read. Through the exploration of great writers, we aim to inspire and develop students' ability to communicate creatively and for different forms, audiences and purposes so that they can articulate their ideas effectively within the English classroom and beyond.

Recall and Resilience	One lesson per fortnight is dedicated to revisiting prior learning (from Year 10 and Year 11) through a low stakes quiz and application to an exam-style question. Home learning is linked to the Recall and Resilience topics to promote and build strong revision habits.				
Why this learning now?	Students will consolidate and apply their learning from Year 10 to prepare for their Autumn term exams. For the Unseen Poetry unit, students will draw upon their knowledge of poetry analysis from KS3 and the Power and Conflict Poetry unit.	This will build on prior learning of social issues and 20 th century context from KS3. Students will read the play and link the key historical events and societal viewpoints to the play. They will also use their knowledge and skills from answering exam-style questions for <i>Macbeth</i> and <i>A Christmas Carol</i> to analyse characters and themes in the play.	All content required for Language and Literature has been covered at this point so students will now revisit, consolidate and master their learning. They will also refine their exam-technique by applying their knowledge to questions and prepare for their Spring term exams.	Students will recall their prior learning and consolidate and master exam-technique in preparation for the GCSE examinations in the Summer term.	This is an opportunity to link all prior learning and core knowledge for both Language and Literature in preparation for the final exams. Students will be practising exam-techniques through frequent written exam responses.
Assessment Opportunities:	Regular formative assessment takes place through the following: recall tasks to link back to prior learning; targeted questioning; written feedback; whole class feedback; live and verbal feedback.
